About the Friends of the Island Parks

Friends of the Island Parks, Inc. is a Citizens Support Organization (CSO). Florida Park Service CSOs are volunteer groups that raise funds, sponsor events, and support the goals of the parks. The Friends of the Island Parks CSO was formed in 2002 by a small group of people who were dedicated to preserving, protecting and promoting Caladesi Island State Park and Honeymoon Island State Park.

These two parks encompass rare, undeveloped natural barrier islands and surrounding waters. Visitors are able to: experience the beauty of Florida's original coast, see many types of wildlife that depend on these ecosystems, learn about this fragile environment, and enjoy the many recreational opportunities.
